To whom it may concern

Ms Denise Byrne tutored our daughter, Francesca, for her 11+ English examinations for the period March 2010 to January 2011. During this period Denise helped Francesca immensely. Denise quickly identified her areas of weakness and systematically set out to work on these areas. After each lesson she talked my partner, Monica, and I through the lesson and gave Francesca, and us, action points to focus on. Denise also provided some very useful frameworks for essay writing and comprehension, which grounded Francesca in the examinations and, I believe, helped her enormously.

Francesca performed strongly in the examinations and secured a place at her preferred school: City of London School for Girls. We attribute this success, at least in large part, to Denise's tuition. Consequently, Monica and I have no hesitation in recommending Denise as a highly effective and professional 11+ English tutor.

Yours sincerely
